

Eugene Golembeski  
COO & CFO Worldwide

Eugene Golembeski joined the firm in August 1997. He is the Chief Operating Officer and Chief Financial Officer of Gavin Anderson & Company Worldwide and runs the financial and operating infrastructure of the Gavin Anderson & Company group.

During the 10 years prior to joining Gavin Anderson & Company, he held various senior financial and operations roles worldwide in the advertising and public relations sectors. He was responsible for the total financial management of networks in Europe, Asia and Latin America, served as lead negotiator for numerous acquisitions in the United States, Europe and Asia, developed an affiliate network in Latin America and executed affiliate agreements in Russia, South Africa and Asia.

Gene was previously a Senior Auditor with Deloitte & Touche where he served a number of clients in various industries, including financial services, advertising, public relations, healthcare, not-for-profit, real estate and pharmaceutical.

Gene is a CPA. He holds a BS in Accounting from LaRoche College in Pittsburgh and an MBA in International Business from The American College in London.
